

A fun day was had on Sunday as a good interclub game nearly went the full distance, Madhav's Crompton Crusaders beating Leroy's Southgate Sabres with four overs left.

Sahil (~20) and Boris (43) got the Sabres off to a good start, although their use of the free hits Carlo was giving was poor. But when they were out, a collapse followed. Madhav eventually opened the game up, after getting 3 wickets himself, feeding Paul to a solid 40 before he was caught. The Sabres all out for 175.

Leroy's team, the weaker of the two, was always going to need quick wickets to stay in the game. And that's what happened as Ed mistimed, lofting to extra cover, having previously used the hoik to good effect. Terry was bowled by Rhodesy before Madhav quickly followed – a fantastic catch from Dangerous Dave, another Southgate Colt ringer Boris brought in. A true example of how much colts can contribute in the field if they put the effort in, and in his first adult game as well! However, this bought Carlo and Driffill together and at drinks another 100 were required to win off the last 20. MOTM Driffill played an excellent attacking innings scoring a quick fifty before finally being bowled by Leroy – playing backwards to a good length ball. However Carlo, who was dropped twice, once by Sars and also by Dave, finished the run chase with the aid of Simon, ending on 75 or so; a good innings though more than a little lucky.

A great day, thanks to all those that played, particularly those who helped get the numbers up to 22, and also to Roxanne for scoring.

The Association is desperately short of volunteers to undertake duties at the Clubhouse. In particular we are in need of bar staff, for which you will get paid, so if any of you are interested please let Pete Fahey or Ian Day know.

Keep upcoming Sundays free to help out with the end of year working parties. There are likely to a couple, but the biggy is for the square, which is most likely to be ALL DAY on Sunday October 4th.
