

Hadley Field – 50 Not Out Howzat!!!

1950 - 2000

Conceived and Written by Carole Robinson 2000 Updated Les Berry 2004

History

Hadley Field, Cockfosters was leased to Southgate County Old Boys' Cricket Club in 1950

The club, founded in 1921, played its first season in Broomfield Park and then moved to the School Ground for the next eleven years. Successively, Vera Avenue (Grange Hill), Brackendale, Tottenhall Road and the Stationers grounds served as the home base but the outbreak of WW2 caused disruption as club members were called up and sports grounds could not be maintained and, by the end of the war, the club was struggling for survival with problems finding a ground to play on.

For a season the City Albion ground in Green Dragon Lane was used but soon the Club was forced to become a wandering side, having no home ground.

Finally, in 1950, the new ground and club headquarters was established and an old wooden pavilion was transferred from a nearby ground in Firs Lane, Winchmore Hill. The ground itself was not ready for the start of the season and so cricket on Hadley Field started on 24th June 1950 with the game against Old Owens and the rest, as they say, is history!

Main Events

| Year | Date | Event |
|------|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1950 | June 24th | First game at Hadley Field (against Old Owens) |
| 1959 | | Charles Hough scores Hadley Field's first century. |
| 1963 | | New dressing rooms built after 5 years of planning and fund-raising. |
| 1970 | | Hadley Field becomes the home ground of Southgate Compton CC following the amalgamation of Southgate County Old Boys' CC with Compton CC |
| 1972 | June 17th | Match against Old Owens.While their Sam Kershen was out batting, his jacket, hanging in the dressing room, caught fire. The sun through the window, acting as a magnifying glass, had ignited matches left in the pocket. This resulted in an Insurance claim! |
| | June 29th | Match against Club Cricket Conference to celebrate Southgate County CC 50th Anniversary. (Was to have been played in 1971 but was rained off.) |
| 1973 | July 14th | Grand Festival Cricket Match played to the Laws and in the Costume of the year 1884. From SCCC, David Norton was in the Rest of England & the British Empire Team, while John Collyer and Peter Scott played as Gentlemen of Southgate. Umpires were Jimmy Neighbour and Alan Gilzean. (Martin Peters – Spurs – played and suggested he bring a team to Hadley Field the following year – an idea greeted with great enthusiasm.) George Chisholm (12th Man) was there with his band. |
| | December 26th | First Boxing Day match (v. Northampton Exiles) |
| 1974 | July 28th | Match against Tottenham Hotspur Football Club. A closely-fought draw with Tottenham Hotspur X1 – 218 all out & SCCC 216 for 9. The Spurs players included Martin Peters; Martin Chivers; Pat Jennings; Ralph Coates; Mike England; Phil Beal; Matt Dillon; Joe Kinnear (58); Jimmy Neighbour (49). Umpire: Alan Gilzean. SCCC player, Dair Morrison scored 112 |
| | October 6th | Match against Southgate Compton Ladies' XV!! One questionable "lady" borrowed from SCCC! (SCCC – 126 for 9; SCL – 122 for 14) |
| 1975 | | Hadley Field's Silver Jubilee Year. |
| | June 26 th | "Terry Robinson, celebrating 25 years of service to the club [and his last game as a player] brought a star-studded side to Hadley Field." "Cockfosters' Geoff Burton cracked a splendid 80 not out to enable Robinson's XI to declare at 160-8. However, that total proved insufficient as Compton knocked off the runs for the loss of six wickets. Top scorers were Jim Denyer (34), Peter Fahey (49), J Grocott (49 not out)" – in his first game of the season following a broken arm in March. |
| 1976 | December 24th | Opening of the new clubhouse. (Bar facilities were restored!! During the demolition and rebuilding, club members had relocated to the bars at Cockfosters Football Club – in the cricket season – and Cockfosters Cricket Club in the football season.) |
| 1977 | July 26th | First of several annual matches against the Burton XI, which brought both Alec and Eric Bedser to Hadley Field. |

| 1983 | August 17 th | First visit of Chard CC to Hadley Field following several years of friendly matches between the two clubs during the Cricket Tour to Devon. SCCC lost by 42 runs despite Peter Fahey's 60. |
|------|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1991 | August 13 th | Monte Lynch Benefit. (6-a-side cricket tournament) Players included:- Monty Lynch; Derek Pringle; Mark Ramprakash; Phil Tufnell; Alan Butcher; Joel Garner; Waqar Younis; Roger Harper and Roland Butcher. Teams came from:- Barclays Bank; Eastern Electricity; RSK; EMP plc; Bairstow Eves; LYNX; Sun Life and Woolwich Building Society and included several SCCC players |
| | | Umpires were:- Terry Robinson (Southgate Compton), Bill Morgan (Cockfosters), Tony Lane (Cockfosters), and Frank Butterfield (Southgate). |
| 1992 | May 16th | First League cricket match played at Hadley Field – Herts. Cricket Union. (A win for 2nd XI v. Elstree.) |
| 1993 | August 30th | A New Venture – President's Day. Bob Morley hosted a memorable day which saw members past and present meeting up to swap news, gossip and anecdotes. |
| 1995 | | Colts Section started by John Rose and Jim Grocott. |
| 1996 | May 21st | 1st ever Colts' Match for SCCC (v. Southgate Adelaide) |
| 1997 | | 1st competitive season for the Colts. Now with help of Tony Heaney, too. |
| | July 12 th | Final of Association of Middlesex Cricket Clubs Enfield Borough 20 Overs Competition. Southgate Compton v. St. Martins. (Unfortunately, despite playing on their home ground, SCCC did not win but the match proved to be a "dress rehearsal" for the following year.) |
| 1998 | August 5 th | East Middlesex v West Middlesex Under 11s. Colts Match. |
| 1999 | | SCCC goes worldwide with its own Website, thanks to Adrian Salter, and Hadley Field is "on the map"!! |
| | July 16th | Match played by a Colts' side from Glamorgan as part of their Cricket Tour. |
| | July 26th | Middlesex Cricket School holds a 5-day training course for colts at Hadley Field for |
| | | the first time. 50+ enthusiastic youngsters invade the ground each day! |
| 2000 | | Golden Jubilee of cricket at Hadley Field. |
| | August 2nd | Inaugural Match of SCCC Veterans' Team (v. Old Owens) – sadly abandoned after |
| 2002 | | 45 minutes because of rain! |
| 2003 | September 13th | Inaugral "Trios" interclub competition |
| 2004 | July 22nd | First under 16 match against Pioneer Club from Pune |

Southgate Compton goes Global

Southgate Compton entered the digital age in 1999 with its own website, thanks to the efforts of Adrian Salter. Latterly a new website has been developed in 2004.

MEMORIES OF A PAST PRESIDENT, JACK SPRING

(taken from the 30th Tour brochure - 1990)

The Old Scholars Association was granted the sole use of Hadley Field in 1950 and I recall everyone of the fifteen or so members of the cricket club turning up to decorate the wooden pavilion, (previously used by the Polygon CC on the east end of Winchmore Hill CC ground), following the Council transferring it to Cockfosters.

Neither will I ever forget and will always have grateful memories of Mr. Holloway, the father of Ray and Stan, who although just about leaving his seventies (if he hadn't already done so) constructed from his own plans two large sight screens and a mobile score box. in his back garden down in Green Lanes, Palmers Green –then dismantled them and reassembled them on our ground. He always maintained from his mathematical calculations that it would need a wind of well over 80mph to blow the screens over. He was quite right. That did happen after some five or six years and a certain rebuilding was necessary by Peter Godfrey.

Soon after matches started at the ground, I was strolling round one evening with one or two of the lads, when a bright piece of metal was seen glinting in the outfield near the War Memorial. Closer examination revealed a German fire bomb –unexploded – that had been scraped bright by the gangmower going over it, once it has been partly uncovered. A quick decision was made that it was the groundsman's problem – yes – in those days that good fellow was present at matches and when they ended he would be out there repairing the wicket, and always present on Saturday and Sunday mornings to cut and if necessary re–mark the wicket. That may cause a few raised eyebrows amongst our younger members! I do not remember what the groundsman did with the bomb – he did survive though!

The Club had not been long at Hadley Field before what might well still be the biggest six to be hit was despatched by the late Henry Green. In those early days the wicket was the other way across the table and with his back to the Cockfosters Road, Henry hooked a ball from a quickie which landed over half way across the adjoining football ground, from the middle of our table. It also achieved considerable height, quite a sight to see and remember.

Talking of sixes I can also recall with pleasure Charles Hough square cutting the first ball of a match straight into the gardens on the other side of Chalk Lane (subsequently these premises were used by the Central Electricity Generating Board, and then as part of Trent Park's Teacher Training College. I've no idea whether this remains the case nowadays). Quite remarkable as anyone who saw Charles batting will know.

That little occurrence was after the ground drainage system had been completed and members had been spending much time when fielding in filling their pockets with stones picked up from the outfield where the pipes had been installed and dumping these many sized objects in the ditches which had not then been filled in, around the field.

Mentioning the drainage reminds me of that most unfortunate event which actually resulted in the work being undertaken. Originally the Council had laid a new table which was not drained and as a result moss was becoming a problem and getting worse each season. In 1953 we were playing Hatch End CC and Peter Baker was bowling quite fast and the moss was causing some deliveries to rear up head high.

One of the batsmen saw another ball pitch short and he ducked in anticipation of a bouncer, but as fate would have 'it the ball only rose hip high and hit the unlucky fellow on the side of his face in front of his ear depressing the cheek bone and putting him in hospital for an operation to improve his looks.

Without hesitation and with the Committee's approval I sent a letter to the Borough Council telling them what had happened and the inevitable likelihood of further similar, possibly worse accidents occurring if nothing was done to the table. We were very happy when proper drainage to the whole field was installed early in the next April at a cost of £2,500, which has served the Club well ever since with only small hiccups.

My last memory for this small collection is about one of our earlier skippers of the Old Boys XI – Norman Lowen – certainly one of the best all rounders we were fortunate enough to have – facing up to offspinner Roland Shaddick (who played a few times for Middlesex), this time in the annual match versus Dales. Norman received a ball pitched at least a foot outside the off stump and he stepped smartly outside the line of the stumps, shouldered arms and disbelievingly watched his leg stump flattened by a prodigious break. Still playing the odd game with Southgate CC Norman still has a chuckle over that event when it is mentioned.

They've Been Together Now for 40 Years

(Article from "LOOK AT LEISURE" section of local paper in 1979.)

IT MAY have been 40 years since Jack Spring joined Southgate

County Old
Boys' Cricket
Club as a
teenager but it
doesn't seem a
day too long for
him.

To this day he has retained vigorous enthusiasm for the club and the game he loves. Some say that without Jack Spring the club, now known Southgate Compton, would folded up have ago. long For there were times only when his

hard work and determination kept things going. The original club was founded in 1921 when a steady influx of old scholars from the Fox Lane school ensured a consistently high standard of play. But just about the time of that Jack Spring joined, World War II broke out and caused various problems as

members were called up for service and grounds could not be maintained. Jack joined the Royal Air Force in July, 1941, and served for five years as a corporal. On his demob in 1946 he returned home to find his cricket club struggling for survival. There were problems in finding a ground to play on. For a season or two use was made of the Stationers and City

Albion grounds Winchmore in Hill but soon the club was forced to become a wandering side and play al! its fixtures away from home .Jack Spring, elected club secretary in 1948, worked unsparingly for the Old Boys members and responded to his example. The

Wanderers became known as a strong and entertaining side to play and Jack, an opening

bowler capable of long and accurate spells, regularly topped the bowling averages. The dream of establishing a new club headquarters was realised in 1950 when, after much hard work, Hadley Field at Cockfosters was obtained on lease. An old wooden pavilion was transferred from a nearby

ground in Firs Lane, Winchmore Hill, to complete the scene.

But as far as Jack was concerned it was no time to relax. He continued to work ceaselessly in his quiet unassuming way with a view to improving the amenities for the club. Southgate County continued Old Boys prosper until the late 'sixties when there was a shortage of members. The old school had been closed down, cutting off the flow of new youngsters, and several key members had retired. Again Jack was to the fore in solving this latest problem, and with the help of the late Colin Dawson, he successfully engineered a merger with Southgate Compton, a strong club in its own right with an active membership. Two years ago, largely due to members own efforts and financial backing, clubhouse new was completed with muchimproved facilities. It was a mammoth undertaking and a result of tremendous team effort. Jack continues to devote his energies to the game he loves. Now in his plays late fifties, he occasionally for the second team, and is still able to contribute useful runs and wickets. Today Southgate Compton is a strong, thriving club - without Jack Spring it's possible that it wouldn't exist at all.

The New Clubhouse Opens - 1976

The Old Scorebox

CHRISTMAS EVE 1976 saw the opening of the new clubhouse at Hadley Field which followed the most concerted effort from the club members that there has ever been or likely to be.

Working on a shoestring budget with money raised by a number of events plus loans from the club members and Greene King, plus a contribution from the Sports Council, the club was able to afford to go ahead with this scheme. The old clubhouse was a separate structure from the changing rooms but as part of the project the changing rooms were connected to form one building.

The contractor (Bell & Webster) only erected the shell; all the internal works were done by club members. Although this was an Association venture, I think it is fair to say that the cricket club made the most significant contribution.

Led by Dair Morrison and Derek Churchman - Dair coordinated the entire project and Derek who, being a surveyor by trade, was able to deal on a level playing field with the contractor - the shell was erected.

Most of the club members put in a lot of time and effort in whatever way they could. Pat McNeice screeded the entire floor area and built all the internal walls, John Rose took care of all the electrical works, Chris Wharfe did the carpentry, Ray Harrop did the plumbing and Tom Hanness provided and fitted the wood panelling. John Collyer did a lot of the decoration work and was also very active in raising funds. A number of members just came up and assisted as directed.

The only area not to be done by members was the bar, which was built by Greene King.

The clubhouse has served us well for 25 years which is testament to the effort and commitment shown in its construction.

Ronnie Masters – 24th May 1997 – A Memorable Day

It's not everybody that can be playing cricket at the age of 52, especially when they are a bowler, and a good medium pace one, at that. Ronnie Masters, of Southgate Compton, not only managed that during the summer of 1997, but, also carried out an extraordinary feat of both cricket skill and endurance.

After playing in the League on Saturday 24th May, away at Braughing - a fairly long trip from his home in North London - and taking 5-60 off 22 overs, then supping a few light ales, Ron got up early on the Sunday to go on the Southgate Compton tour - in itself a long-standing event in its 37th year -and, having driven the 200 miles to Seaton in Devon, played against the local side, bowling a mere 9 overs and taking 4-37. Bank Holiday Monday saw him bowl another 9 overs in a limited overs game at the same venue. A large quantity of late night sarsaparillas were also taken!

On Tuesday, he somehow managed a day off, but was back in the frame again on Wednesday, at Chard, still managing to take 2-10 off 4 overs, but also scoring 33 not out. On Thursday he played again, but was only given 3 overs, though he did bat again, scoring 14. Both games prompted multiple visits to local hostelries, of course.

On Friday, it was back into the cars again for the trip back to London, ready for the League game against Elstree at home at Hadley Field on Saturday. Ron was immediately thrown the new ball, and began a remarkable spell. The opening bats progressed well, scoring 46 for the first wicket, before Ron struck in his 7th over, bowling the opener for 29.

This was the start of a spell of 15 overs when only 12 runs were scored off him, while he took another 4 wickets in his 12th, 14th, 17th and 18th overs - two bowled, two stumped to reduce Elstree to 101-5 after 36 overs. After a lull, Ron struck again in his 23rd and 24th overs, one bowled, one stumped, and all knew that something special was possible. How special, they were not to know. As Ronnie began his 26th over unchanged - the 52nd of the innings, the score stood at 137-7. Three balls later it was 137-10 and, not only did Ron have all ten wickets, but, had also completed the feat with a hat-trick - two bowled, one

were bowled, 2 LBW and 2 stumped. His final & England) at the Herts Cricket League Dinner analysis was 25.3 overs, 13 maidens, 44 runs for 10 wickets.

stumped! For those not counting, of his 10, 6 Ron receives his trophy from Paul Allott (ex Lancashire

This was a once in a lifetime achievement, but there was a sting in the tail, when he came to look at the scorebook, the visitors' scorer had recorded that all of the wickets had been taken by Ron's opening partner, Phil Marriage, who had actually come off after 6 overs, obviously wicketless! Ron was presented with a mounted ball in honour of his achievement at the Players' Supper at the end of the year, but, unfortunately, not the actual ball - someone had inadvertently taken the original from the skipper's bag for a practice ball during the later part of the season. Still, well done Ron, we congratulate you, and know that you have many wickets left in you.

In Celebration of Umpires

Much maligned and apparently needing glasses, the brave souls who stand throughout the whole match, whatever the weather - variously described in the score books over the years as ranging from "glorious" to "bloody freezing" - and give of their time voluntarily (they must be mad) perform a (mostly) thankless yet vital task. Like the white-coated doctors they resemble, their pronouncements are not always welcome. Over the years, many have "graced" the hallowed grass of Hadley Field on a regular basis.

The following is an extract from the end of season report for 1957:

"Punctuality at meeting places and in the time of start was much improved, but the tea interval shows signs of taking precedence over the cricket. We have been fortunate for some years in that at home our lady helpers, who deserve our grateful thanks, have seen to it that tea is ready when the interval is called. It cannot be too highly stressed that tea is an interval and not the main business of the day. "

Over the years a succession of players' mothers, wives and girlfriends have volunteered their time and efforts to provide the traditional welcome refreshment part way through the game and who can blame the players for lingering over it.
